

## TEST AREA

Image including the **Hyperlink** to **Bookmark 1**.

**Bookmark 1**

## HYPERLINK

The screenshot shows a dialog box titled "Hyperlink" with a close button (X) in the top right corner. On the left side, there is a vertical list of options: "Internet" (with a globe icon), "Mail" (with an envelope icon), "Document" (with a document icon), and "New Document" (with a document icon and a plus sign). The "Document" option is selected. The main area of the dialog is divided into three sections:

- Document:** A "Path:" field with a dropdown arrow and a folder icon.
- Target in Document:** A "Target:" field containing "Bookmark 1" and a crosshair icon. Below it, the "URL:" field contains "#Bookmark 1".
- Further Settings:** A "Frame:" field with a dropdown arrow, a "Form:" field containing "Text" and a gear icon, a "Text:" field containing "HYPERLINK TO BOOKMARK 1", and an empty "Name:" field.

At the bottom of the dialog, there are five buttons: "Help", "Reset", "Apply", "OK", and "Close".

## TESTS

Export this document to **pdf** using **LO 24.8.6.2** and »LO newer« (e.g. **LO 25.2.4.3**).

## RESULTS

Move the mouse pointer over the image using file

- **Test - Hyperlink Text - LO 24.8.6.2.pdf**  
**OKAY** → The text **HYPERLINK TO BOOKMARK 1** is to be seen.
- **Test - Hyperlink Text - LO 25.2.4.3.pdf**  
**ERROR** → No text is to be seen.
