

Issue https://bugs.documentfoundation.org/show_bug.cgi?id=164604

Edited text directly from a paragraph with the occurrence of both designs:
compare .ODT and exported .PDF

From a paragraph with both occurrences of old and new design, removing unnecessary words, when a character with the new design reached the line of the characters with the old design, all the new design occurrences in that period were reverted to old design occurrences

Noto Serif

A_{bb} M; A_b m. LONG TEXT TO KEEP NEW DESIGN OCCURRENCES IN
ANOTHER LINE A_# M; A_b m; A_# M; A_b m; A_# M; A_b m.

Nimbus Roman
