

NVCA Strategic Operations & Policy Summit

November 1st and 2nd, 2023 | Washington D.C. | Willard Hotel

The Premier CFO/COO VC Event

NVCA will convene 100+ finance professionals from VC firms for its seventh annual event. This event focuses on the critical role that senior operations professionals play in venture firms. The 1.5-day program comprises networking, technical topics, leadership development, and industry related policy content. Participants also can earn CPE credit hours for their participation.

Sponsors have historically played an integral role in helping NVCA, in collaboration with its powerful CFO Task Force, create and execute robust content initiatives that comprise a range of topics and initiatives.

Anticipated audience: 115+ venture capital finance and operations professionals

Audience breakdown: 85% VCs, 15% other (sponsors and industry affiliates)

****Please note this event is for VCs only- the only way to attend is to sponsor the event for non-VCs****
